

VTC Student Options for Urgent Care and Occupational Health

Carilion Clinic's Occupational Health team supports VTCSOM students as they prepare for clinical rotations. Carilion's VelocityCare urgent care facilities offer convenient extended and weekend hours if your primary care location is not an option. No appointment is necessary.

OCCUPATIONAL HEALTH SERVICES

Walk in or schedule an appointment for:

- » Tuberculosis (TB) screening
- » Drug screens
- » Immunizations
- » OSHA respirator clearance

Carilion Occupational Health Clinic

- » X-ray

EMERGENCY CARE RELATED TO CLINICAL ROTATIONS

Students who have any needle-stick accidents on Carilion Clinic premises should report to Employee Health. If it is closed, report directly to the Emergency Department for any high-risk exposure.
